

FREE Oral, Head and Neck Cancer Screenings

9 a.m. to 5 p.m.

Wednesday, April 29, 2015

Jill Lematta Learning Center
Providence Cancer Center
4805 NE Glisan St., main level
Portland, OR 97213

- Cancer that arises in the head or neck region, including the nasal cavity, sinuses, lips, mouth, thyroid glands, salivary glands, throat, or larynx (voice box).
- The sixth-most-common form of cancer in the world.
- Over 100,000 cases (including thyroid) diagnosed annually in the United States.

Screenings are simple and take only a few minutes!

Exams will be performed by providers of the Providence Oral, Head and Neck Cancer Program, led by medical director R. Bryan Bell, M.D., D.D.S., F.A.C.S., Providence Oral, Head and Neck Cancer Clinic and his colleagues.

Registration is strongly recommended. To register, or for more information, call the Providence Resource Line at 503-574-6595.
